

The Starlight Solutions Forecast for

**Harrison Ford**

July 13, 1942

11:41 AM

Chicago Heights, Illinois

May 7, 2010 - August 7, 2010

Prepared by  
[www.MatthewsAstrology.com](http://www.MatthewsAstrology.com)

Your Astro-Forecast begins on the next page. If the time period for an interpretation is, for example, given as "July 1, 2003 (June 15, 2003 to July 15, 2003)", then it starts in mid-June, reaches greatest intensity around July 1, and ends in mid-July. The first date listed is the time when the influence has reached maximum strength; we can call this date the "peak date". The influence starts on the beginning date, gradually increases in strength until the peak date is reached, and then it gradually fades out until the ending date is reached.

An influence may last for as little as a week to as long as half a year or so. It is a good idea to look ahead in your Astro-Forecast Report for long-lasting influences, as you otherwise may not realize that it is in effect until you are already several months into the time period of the influence. Some people underline the dates of long-lasting influences with a colored pen to draw attention to them.

You may also notice that the same interpretation shows up periodically during the year; this is not unusual. In some cases the beginning and ending dates of the 2 influences are the same; the only difference between the 2 interpretations is the peak date. This means that this particular influence has two peak dates instead of one. It is even possible for there to be three or more peak dates for the same astrological influence. To eliminate redundant interpretations, you may be informed that the astrological influence also occurred earlier and that you should refer back to the previous occurrence of this interpretation.

You may be wondering what the funny abbreviations after the dates are. For example, you may see "Sat Conj Plu", "Ura Trine Nep", etc. These abbreviations are given for the benefit of astrologers and they show the astrological factor that is in effect.

We hope you enjoy your Astro-Forecast. For the benefit of astrologers, some technical details are given below.

*Apr 22, 2010 (Apr 21, 2010 to May 22, 2010)*

☉ 8th H.

Intensifying your emotional, psychic, and energy connection to an intimate partner is the focus now. Also on the agenda are issues of shared values, shared properties or money, and the ways you blend with or withhold from one another on all levels.

In practical terms, you may need to attend to your will, investments, inheritances, insurance, and preparations for personal and/or mutual long-term security and well-being.

*Apr 26, 2010 (Apr 25, 2010 to May 22, 2010)*

♀ 9th H.

You are attracted to distant places and/or people from different cultures, faith, social customs, or vastly different life experiences from your own. A pleasure cruise to an exotic locale, falling in love with a special teacher, enjoying philosophy and sharing your quest for truth or enlightenment are various ways this could be expressed. Any kind of travel or cross-cultural exchange is quite favorable now.

*May 8, 2010 12 AM (May 5, 2010 to May 18, 2010)*

♃ ✖ Mc

Clarity, objectivity, and a smooth flow of communication makes this an excellent time to reach a decision and/or tell others of a decision you've come to. Ideas come flooding in now, too, and you're able to assimilate all kinds of new information. All learning, teaching, or intellectual activities are favored.

*May 9, 2010 1 AM (May 8, 2010 to May 10, 2010)*

☉ □ ♂

A battle of wills or simply the stress of an overly pushy, ambitious, hurried approach can make this an unpleasant time, even if you "win" or achieve what you wanted to. Strong ego drives are activated now, and it would be best to moderate yourself if you don't want to arouse antagonism. Aim for your personal best rather than competing with others. Vigorous sports can be a good expression for strong energies that need to come out, but beware of over-exerting yourself.

*May 10, 2010 3 AM (May 6, 2010 to May 17, 2010)*

♃ ⚡ As

Your curiosity is piqued and you may innocently involve yourself in something that's none of your business. Overhearing conversations or being drawn into gossipy chats purely out of boredom could be a part of this. You need to keep yourself busy, but try not to scatter your energy into too many directions today.

*May 10, 2010 8 AM (May 10, 2010 to May 11, 2010)*

♀ ✖ ♂

Passionate love and powerful creative drives are stimulated now. If you work in any of the arts, this can be an enormously productive time when your energy and sense of beauty and style really come together. Happy collaborative efforts of all kinds are featured. Camaraderie, friendship, and affection, even with people you normally don't socialize with, can be expected. In a romantic relationship, this can be a very special time. If you wish it, make it so!

May 10, 2010 2 PM (May 10, 2010 to May 11, 2010)

♀ ♃ ♀

Your power of attraction is strongly magnified today, and you may draw a special friendship, romance, or other gift into your life. This could be the beginning of a beautiful new love or the time to reestablish the heart connection between yourself and a beloved. Intimate sharing, pleasure, and simply being in love is what matters to you. The beauties of flowers, the earth, and all of your senses are intensified. Visit a garden, perfumery, or chocolatier. Wear shades of rose, pink, or soft greens to heighten the effect.

May 11, 2010 11 AM (May 10, 2010 to May 12, 2010)

☉ ✖ ☉

This is time of flow and ease of expression. You feel energetically supported and your offerings to the world are welcomed. Relationships with men are highlighted and are apt to be mutually beneficial.

May 13, 2010 3 PM (May 12, 2010 to May 14, 2010)

☉ ✖ ☽

You enjoy being around both men and women at this time and, in fact, you need to be with others, especially those you know pretty well and trust. Having a sense of familiarity and comfort in your surroundings and interactions boosts your confidence. Everyday relationships are supportive and warm at the moment.

May 13, 2010 5 PM (May 6, 2010 to May 17, 2010)

♃ ♃ As

This astrological influence (Mer Qucnx Asc) also occurred on May 10, 2010 (peak date). Please refer to this date.

May 14, 2010 11 AM (May 12, 2010 to May 16, 2010)

♂ ♃ ♂

The courage to act decisively on your own behalf, to take the initiative, and to risk new ventures infuses you now. You confront issues head on rather than evade or avoid them, with the intention of standing up for your legitimate rights. If you are of a forceful temperament to begin with you may be pushy, overly aggressive, or come on too strong. Your physical and vital energies are stimulated and you need to be doing, acting, achieving, and taking charge. Strive to be forthright and brave, without being contentious.

May 15, 2010 2 AM (May 12, 2010 to May 17, 2010)

♂ ✖ ♀

This is a wonderful moment for romance! You're in a loving, amorous mood, and if you have no lover at the moment, make something beautiful, luscious, and appealing in whatever arena you most enjoy. All creative acts are favored now. Dancing or some other vital and sensual self-expression would be especially satisfying.

*May 15, 2010 8 PM (May 5, 2010 to May 18, 2010)*

♃ ✖ ♁

This astrological influence (Mer Sxtil MC) also occurred on May 8, 2010 (peak date). Please refer to this date.

*May 17, 2010 9 PM (May 17, 2010 to May 18, 2010)*

♀ □ ♃

Your romantic imagination is stimulated today. You're apt to be attracted to people or things that are soft, beautiful, dreamy, enchanting, inspiring. Colors, styles, music and atmospheres (scents, candles, aesthetic arrangements) strongly influence your mood, so notice what feels good to your soul and make a little magic.

*May 18, 2010 11 AM (May 18, 2010 to May 19, 2010)*

☉ △ ♃

Light some candles or put on your favorite music to create a mood and atmosphere where magic can happen. Or engage in activities purely for the inner rewards, like bringing a meal to a friend or some other random act of kindness. This is a day to cultivate spiritual well being and dream peace solutions.

*May 19, 2010 4 PM (May 17, 2010 to May 21, 2010)*

♃ □ ♃

Your conversations and interactions take on an intensity you normally wouldn't expect from casual encounters. You or another person may reveal something very personal and private, or bring up deep topics that are rarely discussed. Very strong views, bordering on the fanatical, or thoughts expressed with a lot of emotion may stir up resistance. You can be keenly insightful now, but beware of forcing any kind of agenda onto those around you.

*May 20, 2010 (May 14, 2010 to May 26, 2010)*

♃ ♂ ♃

A gentle spirit of optimism, hopeful expectation, generosity, and belief in positive outcomes lights you up now. This can be a time of spiritual reconciliation, forgiveness, and giving up narrow self-interest and petty grievances to embrace a larger vision or enhance the good of the whole.

You tend to get somewhat grandiose or overly optimistic now as well, and may be disappointed if others don't meet you with the same degree of good will, or don't deliver on their promises. Ideas that you might consider dubious and not substantial enough at other times can now seem quite possible even if farfetched. Wishes and imagination color your perspective considerably so that it's not a good time to make practical decisions or commitments. Attention to details and your ordinary tasks may suffer as well.

This is, in fact, a good time to take a vacation from your workday world and worries, to fulfill some childhood wish, to visit an enchanting or mystical place, to open yourself to the miraculous, to dream broadly, to receive inspiration, to go on an adventure, or to nurture your spiritual life.

Positive Potentials:

Faith and a stronger sense of connection to the larger reality. A spiritual visitation. Reconnection to hope and goodness. Expectations of well-being lead to good outcomes.

## Negative Potentials:

Poor sense of boundaries, limitations, and reality, especially if you already have such tendencies. Feeling scattered, distracted, unwilling to concentrate on immediate issues. Generosity overdone, with a touch of naivete. Escapism and exaggerated expectations.

## Remedies and Suggestions:

Postpone important legal, financial, or business decisions, as you may not see a balanced or realistic picture. Understand that others may not share your vision. Beware of coming on too strong or foolishly pontificating or promoting your vision. Set an example to others rather than preaching or coaxing others to see the world as you do.

*May 21, 2010 1 AM (May 20, 2010 to May 22, 2010)*

♀ ♂ ♃

Your awareness of love, relationship, aesthetics, and beauty is enhanced. You have an eye for what goes together, or what's appealing and pleasing, so you may do some rearranging or suddenly notice the graciousness (or lack of it) in your surroundings. This is an ideal time to send notes of appreciation or to have a love talk with your sweetheart. You are able to verbally express feelings, desires, and wishes that would be harder to articulate at other times. Creative writing, designing, and cultural affairs are favored.

*May 22, 2010 9 AM (May 22, 2010 to May 23, 2010)*

♀ □ As

A strong need for harmony, affection, approval or belongingness colors your attitude and decisions now. Overall this is apt to bring ease and engender positive feelings in your interactions and personal relationships, but in a situation in which you need to move forcefully on your own behalf it could work against you. Social engagements, pleasure outings, and even shopping are favored.

*May 22, 2010 (Jan 18, 2010 to Jul 3, 2010)*

♀ ♃ ♃

Important aspects of your life are undergoing in exorable changes. It may be the end of an era, as many people or conditions that you have become attached to are passing out of your experience.

Changes within yourself, both physical and psychological, require your attention. There can be health challenges or the need to make adjustments in your lifestyle to accommodate the person you are now.

Positively this can be a time to get rid of deadwood, to attend to the places of regret, stagnation, and unfulfillment that you can still do something about. You may be making a decision at a very deep level about whether you truly want to continue to live and grow, or to give up the effort. Deep underground sources of vitality and renewal are available.

## Positive Potentials:

Rebirth and resurrection after a period of death or loss. Eliminating nonessentials and blockages to find core energy and meaning in your life.

Negative Potentials:

Difficult transitions, soul crisis.

Remedies and Suggestions:

You have survived many losses or difficult times in the past, and you recognize them now as part of life's journey. Although you know life won't be the same as it was, you may not know what it will be. This is the time to draw on faith and the ability to endure that you have developed. Letting go, mourning, and expecting the new to arise from the ashes will help you move through this cycle.

*May 22, 2010 (May 21, 2010 to Jun 24, 2010)*

☉ 9th H.

Envisioning your future, considering all options from a larger, long-range perspective, or significantly expanding your horizons through cross-cultural exchanges is emphasized. This is also an excellent time to teach or promote a publication, to attend a conference or seminar, and to travel for adventure, educational, or spiritual purposes.

*May 22, 2010 (May 21, 2010 to Jun 17, 2010)*

♀ 10th H.

Cooperation and a focus on harmony and understanding benefits you professionally and/or enhances your reputation and public standing. Attending an important social occasion or festivity may put you in the public eye as well. A romance or beneficial friendship that begins as a business alliance could be part of the picture. You may also feel you are married to your career right now because quite a bit of your energy is invested there and/or you love what you're doing at the moment.

*May 22, 2010 6 PM (May 22, 2010 to May 23, 2010)*

♀ ♂ Mc

Cooperative and friendly relationships in a professional setting are featured now. Having lunch or socializing with a mentor or superior, or getting to know someone on a more personal basis than is usual in your work environment, can establish good will. You could even become infatuated with someone who embodies your vision of success. This is actually a very positive time to meet the public or to increase your popularity and public image. Demonstrate your appreciation for others and a true awareness of their concerns.

*May 23, 2010 12 PM (May 22, 2010 to May 24, 2010)*

♁ ✖ ♃

Your mind is positive and you are thinking in broader terms at the moment. Your intuition and sense of future trends is keen. Commercial ventures and transactions, communicating to a wider audience, teaching or learning, and making sound decisions based on seeing the bigger picture is the focus now. Send and receive inspiring messages.

May 24, 2010 1 AM (May 24, 2010 to May 25, 2010)

☉ Δ As

The force is with you! Your vital energy is flowing well and your confidence is up, so anything you attempt now is likely to succeed. You influence others through personal direct contact, and without much effort. Work with what inspires you, gives you energy, or matters most to you, and expect great results. Express yourself!

May 24, 2010 12 PM (May 24, 2010 to May 25, 2010)

☉ ♃ ♄

Your eccentric, impulsive, or rebellious side comes out in surprising ways, breaking you out of your normal patterns and routines. Especially if you've been craving excitement or have little opportunity for spontaneity, you may want to break free for a change. However, if you hold back all of this, minor upsets and disruptions may occur in the world around as you unconsciously "ask" for some surprises. This isn't the ideal time to interact with authorities, or anyone who manages, regulates, or governs your life, either.

May 26, 2010 7 AM (May 26, 2010 to May 27, 2010)

☉ ✖ ♀

Unusual creative power is available to you today. An intensity of focus that borders on the extreme allows you to accomplish a great deal now. You also gain deeper insights and awareness about something which helps you understand and work with it better. You may want to get rid of something that's outlived its function because it is easier to part with things now than it might be on another day.

May 26, 2010 9 AM (May 26, 2010 to May 27, 2010)

♀ ♃ ♀

Happy, expansive feelings and a generous desire to share and spread the joy color your day. This is the ideal occasion for a festive, lavish affair, a gala, or just a great time with friends - the more the merrier.

You're apt to be extravagant with gifts, for yourself as well as others, and this is an auspicious time to invest in art, fine jewelry, or other high quality valuables. In fact, going to excess is your only problem now. If you're watching your weight or your budget, you'll be quite tempted to let those limits go for the moment. This isn't the day to deprive yourself, but try to consider the consequences!

May 29, 2010 3 PM (May 28, 2010 to May 30, 2010)

☉ ♃ ♄

Necessity, duty, discipline, and work are the focus for you today, and you're protective of your time and energy. You don't want to scatter your forces or waste efforts, and you may withdraw socially in order to attend to your tasks. Purposeful concerns override other priorities. You may feel rather humorless as well, taking it all a bit too seriously.

May 31, 2010 (May 4, 2010 to Jun 26, 2010)

♄ ♃ ♀ (no partile)

The theme of this time could be practical application of visionary ideals - or coming down to earth with a thud.

Initially this can be a time of sober realizations, squarely facing any illusions, deceptions, or patterns of

escapism and avoidance that you may have. Addictions or dependencies will be seen for what they are. If you over-idealize someone or something, there may well be a disappointment or serious breach of trust which causes you to reassess.

You may have to contend with a mood of spiritual isolation. Perhaps a source of creative inspiration dries up or the places you once went for comfort seem unavailable. It's a time of deepening, maturing, and testing of your faith. You may choose solitude, retreat, voluntary simplicity, and aloneness as a way to reconnect with your spirit.

Physically, your energies are less hardy now, so it's wise to conserve them.

#### Positive Potentials:

Commitment to really living your spiritual values, ideals, and visions. More disciplined effort in overcoming negative dependencies and habits can lead to substantial changes for the better. Devotional and spiritual practices which truly resonate with your soul. Ability to give up, do without, or surrender negative attachments.

#### Negative Potentials:

Tendency to see one's weaknesses, immaturity and vulnerability in a harsh light. Cynicism towards oneself or the world. A gloomy, anxious, disheartened mood. Guilt.

#### Remedies and Suggestions:

Avoid activities and people who reinforce a fearful perspective, whether in the form of "entertainment" or "spirituality", or simply people who drain your emotional resources. Simplify your life.

If you are so inclined, this can be an excellent period to work with rocks, crystals, and earth energies for spiritual or healing purposes. Create a medicine wheel, a labyrinth, or a healing garden with rocks. Meditate with crystals, or seek out a nontraditional healer who use them in his or her work. Seek help for addictive patterns you wish to be free of.

*Jun 2, 2010 11 AM (Jun 1, 2010 to Jun 3, 2010)*

♃ □ ♂

You may be challenged to defend your ideas, plans, or methods at this time. Thinking on your feet and rapid responses will be necessary, and a few hot words may be exchanged. Certainly you can elect to keep a cool head and avoid unnecessary verbal confrontation, but it will take some effort now. Wear soothing, cool colors like blue or lavender, and avoid red!

*Jun 4, 2010 4 AM (Jun 3, 2010 to Jun 5, 2010)*

♃ ✖ ☉

Clear thinking and an easy flow of communication make this a good day to present your ideas in writing or in person to take an exam, to learn something new, to initiate discussions or conduct a meeting. The pace of life is quickened and everyday business flows smoothly, especially casual interactions.

*Jun 5, 2010 3 PM (Jun 5, 2010 to Jun 6, 2010)*

♀ ✖ ☽

Conversations with women, with family, and with people you are especially close to or have a long history with are going well now. By listening as well as sharing your own experiences and feelings, you deepen your rapport and connection. Telling stories, reminiscing, and discussing what is in your soul can be very rewarding. You are likely not only to hear, but to understand. Personal letter writing or journaling would also be fruitful activities.

*Jun 6, 2010 10 AM (Jun 5, 2010 to Jun 7, 2010)*

♀ ♀ ☽

Your love light shines brightly now and you wish to please and be pleased, to give and receive a personal, loving touch. Both romance and friendship are enhanced by warm expressions of appreciation, affection, and treats. Your sensitivity to aesthetics is heightened as well and anything ugly or impersonal will bother you more than usual. This is a time to beautify, embellish, decorate, or bring flowers. You attract admiration as well!

*Jun 8, 2010 5 AM (Jun 7, 2010 to Jun 9, 2010)*

♀ ♀ ☽

Loving affection, tenderness, and a strong appreciation for what's familiar color this day. Your family, children, pets, home, or long time friends are sources of happiness for you, and you'll want to bathe them in love. Indulgence, pampering, and pleasuring - for yourself as well as others - feels like a necessity now. Relationships with women are favored.

*Jun 8, 2010 4 PM (Jun 8, 2010 to Jun 9, 2010)*

♀ △ ♀

Imaginative, artistic, or spiritual topics occupy your mind and conversations today. You may be especially telepathic with the people around you, sensing their thoughts and emotions rather easily. None of this is apt to be terribly distracting and in fact will probably be rather subtle, yet it can add another dimension to your interactions. Listen to your intuition.

*Jun 9, 2010 6 AM (Jun 9, 2010 to Jun 10, 2010)*

☽ ✖ ♂

Courage, confidence, and the will to triumph energize you. You are able to move your objectives forward and to get a lot done now, without stressing or going into overdrive. Your positive conviction seems to move obstacles out of your way. You flow around obstructions rather than confront them, which is apt to be a successful strategy at this time.

*Jun 9, 2010 1 PM (Jun 9, 2010 to Jun 10, 2010)*

☽ ♀ ♀

Your personal magnetism is activated and you easily attract what you need or want at this time. Friendliness and a sweet attitude eases all situations, and all social occasions are highly favored. You radiate love, charm, and your own unique beauty through whatever you do. A significant and very positive friendship or love alliance can be initiated now.

*Jun 9, 2010 1 PM (Jun 7, 2010 to Jun 11, 2010)*

♂ ✖ ♀

You say what you mean in a very clear, direct, and compelling way, which short circuits any problems that could arise from ambiguity or indecisiveness. It's an excellent time to do an oral presentation, take an exam, tell your side of the story and convince others of your opinion. Be sure to listen as well. You enjoy intellectual activities and stimulation, conversation, and problem solving.

*Jun 11, 2010 (Jun 10, 2010 to Jun 26, 2010)*

♀ 9th H.

Cross-cultural exchanges, a visit or significant communication from someone far away, and/or a long journey broaden your thinking. Your thoughts are lifted above the usual daily concerns and immediate business into thoughts and visions about future, larger goals, and the purpose and meaning of your activities. You are putting everything into a larger context. Discussions and/or reading on issues of faith and of the spirit are likely to be a part of this.

*Jun 11, 2010 9 PM (Jun 11, 2010 to Jun 12, 2010)*

♀ Δ As

Communication, learning, or being a messenger or conduit for information is favored now. You express yourself clearly and intelligently, getting your views across with ease. Friendly or casual encounters can lead you to information you can benefit from right now. You may want to visit a book store, or make some phone calls you've been putting off.

*Jun 12, 2010 3 AM (Jun 11, 2010 to Jun 13, 2010)*

♀ ♂ ♀

Today there could be an out-of-the-blue phone call that really surprises you, a conversation that takes you into unexpected places. Ideas are flying around and your mind is buzzing. You may come to a quick decision based more on impulse or intuitive perception than on logic, or have a sudden realization. Slow down just a bit, breath deeply, and let yourself think it through.

*Jun 12, 2010 4 AM (Jun 11, 2010 to Jun 13, 2010)*

♀ ✖ ♀

Sympathy for the underdog or a friend in need moves you now. You may be asked to help out someone in confusion or distress, or to show unselfishness to your love partner. Going the extra mile for someone else will make you both happy, and your spiritual support may be more important than the practical assistance you can provide.

*Jun 13, 2010 2 AM (Jun 13, 2010 to Jun 14, 2010)*

♀ ✖ ♀

You are interested in complexity, depth, the mysterious, the hidden, or the primitive, whether you are looking for the secrets of lost civilizations or probing a thorny psychological problem. What you read, watch, think about or discuss is apt to contain these elements. You can also be quite a convincing speaker but beware of overstating your case. Your words are potent now.

*Jun 13, 2010 8 AM (Jun 11, 2010 to Jun 15, 2010)*

♂ □ ✕

Mishaps or disruptions due to recklessness, tactlessness, sudden outbursts of anger or impatience, and heated encounters are potential trouble spots at the moment. Slow down in traffic, and take precautions around fire, electronics, and sharp tools. Perhaps you can do something daring and outrageous that isn't dangerous!

*Jun 13, 2010 10 AM (Jun 11, 2010 to Jun 15, 2010)*

♂ ✕ Mc

You take a proactive, assertive, and eager attitude toward challenges and your ambitions. You could impress superiors with your vigor, as you are willing to go the extra mile and do whatever it takes. Opportunities to advance your standing or achieve a desire come to you now. Green light!

*Jun 13, 2010 (Jun 11, 2010 to Aug 3, 2010)*

♂ 12th H.

You may be needing more downtime, recuperation or recovery from a period of intense activity and outward focus. Working alone on some private passion could be just the medicine you need. Or, you may not be motivated, and feel like doing nothing. This is, indeed, a resting time, good for incubating dreams and projects but not the best moment to launch them.

*Jun 14, 2010 7 PM (Jun 14, 2010 to Jun 15, 2010)*

♂ ♀ ♃

You have little tolerance for distractions or wasting time right now. You may seem rather humorless, not communicative, or even downright unfriendly. You are thinking about practical concerns and necessities, essentials, and the bottom line, or wrangling with problems that you don't want to discuss openly. An interaction or conversation you have today may shed light on a problem you are facing and show you some weakness that needs to be addressed. In any case, this is not a moment for fun and sport, but for focused attention and for cool, detached objectivity.

*Jun 15, 2010 (Jun 7, 2010 to Jun 26, 2010)*

♃ □ ♀

Philosophical disagreements, challenges to your belief systems, or simply exposure to more ideas and information may cause you to enlarge your views at this time.

You may also find yourself intellectually restless and bored with your usual occupations, conversations, and ideas. Your thirst for broader experience of the world, more knowledge, or more expansive ideas may lead to long distance traveling, attending seminars or classes, or reading extensively on new subjects. This is actually a good time to teach what you know, also. Reaching out and communicating on a larger scale is favored now.

Positive Potentials:

Optimism and positive thinking. New, more expansive ideas and plans. Networking, making contacts, negotiating mutually beneficial deals. New alliances.

Negative Potentials:

You may come across as overconfident, self-righteous, or preachy in expressing your opinions. Also, because you are so optimistic about plans and possibilities, you tend to overlook significant details or to overextend yourself. Beware of saying too much right now also.

#### Remedies and Suggestions:

Remember to LISTEN to what others have to offer, with the intention of learning from them. (Don't think you know it all already). Pay attention to the logistical and practical details of your plans and ideas.

*Jun 16, 2010 6 PM (Jun 15, 2010 to Jun 17, 2010)*

♀ ✖ As

A pleasant, affectionate, relaxed, or courteous attitude eases your interactions now, and may open doors or help lighten troubled situations that you've been working with lately.

You can attract what you want and need, rather than pursue it forcefully or do it all yourself. This is an excellent time to go out on a date or ask someone for a favor, because you make a decidedly positive impression at the moment.

*Jun 17, 2010 3 AM (Jun 17, 2010 to Jun 18, 2010)*

♀ ✖ ♄

This is an excellent time to meet new people, to try on a more daring, updated, or unconventional style, and to break out of your usual social circle. Improvise, be spontaneous, and don't be afraid to show your eccentricities or unusual taste. You can wake up and reinvigorate a love relationship that's become too predictable or stale. Loosen up and remember what it's like to play!

*Jun 17, 2010 (Jun 16, 2010 to Jul 13, 2010)*

♀ 11th H.

Friendship is a significant focus for you during this cycle. Promoting close relationships in your community, creating bridges between people and between various organizations, or making your little part of the world more beautiful and friendly would be gratifying for you now. Artistic, musical, or literary friendships and alliances are favored. Differences and discordant tendencies between people are minimized during this period.

*Jun 18, 2010 2 PM (Jun 17, 2010 to Jun 19, 2010)*

♀ ♂ ♀

Strong feelings are evoked in a close relationship. Perhaps a thorny issue that you thought had been settled will arise. Old hurts or hungers, or a particularly compelling desire for intimacy and connection, may be stirred up. Let your wishes, desires, and feelings flow, without blame or demands to be emotionally "fed" by someone who may be unwilling or unable to respond as you want them to. This can be an intensely creative time if you pour your energies into making something beautiful.

*Jun 18, 2010 7 PM (Jun 17, 2010 to Jun 19, 2010)*

☉ □ ♀

Your will power, focus, and concentration are diffused somewhat now, and this is not the best day to make critical decisions as you may be viewing people and situations in an overly idealistic light. Hope and fantasies tend to obscure reality. You also may want to put off activities in which discernment and mechanical skill are necessary. This is a fine day for dreaming up ideas, getting inspiration, or playing "let's pretend".

*Jun 19, 2010 11 PM (Jun 19, 2010 to Jun 20, 2010)*

♃ ✖ ♂

You speak clearly, directly, and honestly about what you want now, and your lack of ambiguity is compelling. If you need to convince or persuade another, this is the time to do it. You are sharp in negotiations, and respond quickly and intelligently, but you may unwittingly fail to listen, empathize, or receive the other person's side of things.

*Jun 20, 2010 2 AM (Jun 19, 2010 to Jun 21, 2010)*

♃ ♀ ♀

Loving thoughts and appreciative words benefit both casual and more significant relationships. Expressing love and beauty is the theme now. You will not want to talk about or focus on anything heavy or unsettling. Write a love note, watch a light romantic comedy, make something beautiful with your hands, design a garden or a quilt, and receive affection graciously!

*Jun 21, 2010 8 AM (Jun 21, 2010 to Jun 22, 2010)*

♀ ✖ ♃

Worries and pressures are eased now, especially if you've been overworking and neglecting your friends. You can lighten up a bit, relax, remember how to smile. You may seek out someone who is a bit older than you or a reliable long time pal to spend some time with. Your money sense is quite sound at the moment so if you're considering a purchase or investment, this is an auspicious day to do that.

*Jun 21, 2010 9 AM (Jun 19, 2010 to Jun 23, 2010)*

♂ ✖ ♃

Enthusiasm, confidence, and verve infuse your efforts now, almost guaranteeing a positive outcome. Your instincts, as well as your sense of direction and timing, are excellent! Risk-taking, engaging and inspiring others to support you, and taking action to realize a big goal are favored.

*Jun 22, 2010 10 AM (Jun 20, 2010 to Jun 24, 2010)*

♂ □ ♃

At this moment you do not want to waste time or energy and you may be impatient with those situations or people who seem to stand in your way or thwart your will. Resentment and an adversarial attitude may surface, especially towards those who have an easier time of it. You may be tempted to lash out at others who are really not the cause of your frustration but are simply safe targets. Instead of moving with these destructive attitudes, turn to what you can do in your own court. Self-reliance, patience, and even hard or disagreeable work can turn this time into a productive one. Find ways to relieve stress (that don't involve hurting others!)

*Jun 22, 2010 6 PM (Jun 21, 2010 to Jun 23, 2010)*

☉ ♃ ♃

Initiating communication, conversations, and interchanges of all kinds is highlighted now. You express your thoughts easily and clearly, you know what you want to say and you are interested and curious about others' thoughts and opinions. Commercial trading and negotiations of any kind are favored.

*Jun 24, 2010 6 AM (Jun 23, 2010 to Jun 25, 2010)*

♃ ☐ ♀

Minor misunderstandings, communication foul-ups, or not seeing the obvious can cause a bit of confusion. Check and recheck your figures, or put off important legal or mundane matters for another day. It's a much better time to let the muse inspire you with interesting ideas than to carry on business.

*Jun 24, 2010 10 AM (Jun 23, 2010 to Jun 25, 2010)*

☉ ☐ As

Expect significant encounters, meeting individuals who are or will be important players, at least for the moment. The focus is on relationship, balance, taking each person's tastes, styles, needs, and personal agendas into account. There may be some friction and adjustments needed. It is your choice whether you want to compromise or go solo, but including the other makes for a fuller picture.

*Jun 24, 2010 9 PM (Jun 23, 2010 to Jun 25, 2010)*

☉ ♃ Mc

Making a difference in the world, furthering your personal aims and aspirations, or receiving public appreciation for your contribution is featured now. The focus is on personal integrity and honor, standing for something, being known for who you are. Whoever is your personal star or hero figures into all of this as well, because you need a guiding light and something to shoot for. Accept attention graciously.

*Jun 24, 2010 (Jun 23, 2010 to Jul 27, 2010)*

☉ 10th H.

This is your time to shine, especially professionally. Focus on your important aspirations and ambitions to make significant impact on the world around you. Your personal life and relationships may be put on the back burner for now as you aim for accomplishment and achievement. If you've done the preparatory work, you could be honored or promoted now.

*Jun 26, 2010 12 AM (Jun 25, 2010 to Jun 26, 2010)*

♃ ♃ ♃

You are fluent, communicative, curious, and alert today. Words fly off your tongue quite easily now and you may speak before you even realize it. This is a good time to learn something new, perhaps take a short trip to satisfy your intellectual side. Conversation and meeting of the minds is featured.

*Jun 26, 2010 5 PM (Jun 26, 2010 to Jun 27, 2010)*

☿ ☐ As

Your curiosity is piqued and you may innocently involve yourself in something that's none of your business. Overhearing conversations or being drawn into gossipy chats purely out of boredom could be a part of this. You need to keep yourself busy, but try not to scatter your energy into too many directions today.

*Jun 26, 2010 10 PM (Jun 26, 2010 to Jun 27, 2010)*

☿ ♃ Mc

Clarifying your next step or consulting with someone who is in a position to help you professionally is on the agenda. This is an excellent time to attend an important meeting, seminar, conference, or class, and any endeavor involving communications, sales, or teaching is especially favored. You could even be on the local news or get a bit of local publicity, especially if you are seeking it.

*Jun 26, 2010 (Jun 26, 2010 to Jul 11, 2010)*

☿ 10th H.

Your thoughts are focused on accomplishment, achievement, professional advancement, and actively engaging in the larger world. You want your voice to be heard. Devising plans and strategies to actualize your desires, gathering information and making contacts to further your aims, or making a presentation to an important audience is favored during this cycle.

*Jun 28, 2010 10 PM (Jun 28, 2010 to Jun 29, 2010)*

☿ ♃ ♃

Your thinking and your conversations turn to large topics, future trends, and inspirational themes. You are considering what is important to you in the long run. You can see the patterns and themes which weave together many pieces into a coherent whole. As a result, you have a more humorous and tolerant outlook. Practically speaking, this is a good time to write for a large audience, to get something out to be published, to make business contacts, or to speak in public.

*Jun 29, 2010 10 AM (Jun 29, 2010 to Jun 30, 2010)*

☉ ♃ ♃

Your best self shines forth and you radiate an expectation of success, which can open many doors for you at this time. You are drawn to the people, places, ideas, or information that can profit you the most, and whatever comes to you now is apt to be of benefit. Extending yourself, widening your comfort zone, reaching out, and acting on your intuition enables you to make the most of this fortuitous moment.

*Jun 30, 2010 4 AM (Jun 29, 2010 to Jul 1, 2010)*

♀ ♃ ♂

Selfish or competitive impulses are softened by a desire for harmony, relatedness, and connection. Activities that combine power or passion with grace are favored now, as in dancing, playing music, making art or love, or perhaps some kinds of sports. Doing something vigorous with a lover or friends, rather than just talking or hanging out, would be ideal. Affectionate feelings can intensify into an adoring romance.

*Jun 30, 2010 10 AM (Jun 29, 2010 to Jul 1, 2010)*

♀ ✕ ♀

Cooperation, affection, and sweet feelings color this moment. All friendships and intimate or personal interactions are highly favored. Certainly you won't want to be alone today, nor need you be. Any overtures you make will be gladly received. Love is flowing! You may feel a bit lazy and pleasantly indulgent as well.

*Jul 4, 2010 (Jun 21, 2010 to Aug 24, 2010)*

♃ ♂ As

There is a renewed focus on partnerships, close friendships, marriage, and intimate relationships, with some very positive developments on the horizon. You may meet someone wonderful who influences you to be more confident, optimistic, and hopeful, and to reach out and aspire for more. Your current relationships are characterized by more freedom and openness, and genuine caring for the greater good of one another. Difficulties in an ongoing relationship with a friend, peer, or partner can significantly improve, and should you choose to see a counselor at this time, this would be quite beneficial. This can be a time for healing and for renewing the vision of what your partnership can be. Even if you decide that your mutual growth is not served by remaining together, the parting is apt to be amicable and lead to something better for both of you. Stifling and controlling relationships will not be tolerated well now.

A generous teacher, counselor, advisor, or guide may enter your life during this period - someone who will be a real gift and benefactor to you.

Legal contracts and business agreements are apt to work in your favor now as well.

Positive Potentials:

Mutual growth, happiness, and expansion in relationships of all kinds.

Negative Potentials:

If you tend to be overly giving, generous, and lenient in your partnerships, this tendency is amplified. However this should not become a real problem unless you are seriously out of balance in this way to begin with. It is time for you to expect more!

Remedies and Suggestions:

Stay focused on being your best self in relationship to others. Take the high road, and avoid pettiness. This is your tendency now anyway, and it can free you up considerably.

Accept invitations, go to openings, broaden your social sphere, vary your routine. By exposing yourself to more people, the ones who can enrich your life can come to you.

*Jul 4, 2010 (Jun 21, 2010 to Aug 11, 2010)*

♃ 7th H.

Helpful people, new friendships and alliances, and positive relationships in general are featured during this cycle. As you open up to others, you invite opportunities of all kinds to reach you. This is an excellent time to marry, and/or a very good time in your marriage, as long as it is reasonably sound to being with. If it is not, your need for freedom and growth may lead you to make significant changes there which will be to the benefit of you

both. Generosity, good will, and integrity are your keys to success in all of this.

*Jul 5, 2010 12 AM (Jul 5, 2010 to Jul 6, 2010)*

☿ ♃ ☉

Active communication, making phone calls and connections, open discussions or forums, reading, thinking, and the power of expressive language is the theme for today. What you say now matters and makes an impact, so be certain you really mean it. Writing, lecturing, or any activity that involves words and ideas is favored.

*Jul 6, 2010 1 AM (Jul 5, 2010 to Jul 7, 2010)*

☿ ♃ ♃

This is a day of intimate conversation, speaking with women or someone you feel especially close to, and sharing on a personal, feeling level. Your mind turns toward the past, either fondly or regretfully. Telling your story or listening to others' stories and reflecting on your personal history is featured. You may want to spend some part of the day journaling or calling old friends. Thoughts about your home arise now, also. You could enjoy skimming magazines to get ideas for your living space, or even consult a feng shui expert.

*Jul 6, 2010 (Jun 4, 2010 to Aug 6, 2010)*

♁ ☐ ☿ (no partile)

Nervous excitability can lead to impulsive decisions, unanticipated or erratic behavior, and sudden reversals. You may change your position or opinion many times during this period. You seem to instantly understand or directly "know" something, but may find it frustrating to try to explain this in any logical sort of way. Intuitional thinking is heightened.

The pace of your life may quicken as well, leaving you breathless. Everything may seem to be coming at you very quickly. You'll be exposed to new ideas, concepts, technologies, or ways of thinking which will challenge you. If you are too attached to your position or rigid in your thinking, this can be a very unsettling time. However, if you remain open and teachable, many new insights will flow to you.

Positive Potentials:

Mind-opening and liberating ideas. Clear, fresh ways of perceiving. Increased awareness of synchronicities and the interconnection of all things. Innovative and creative inventions.

Negative Potentials:

Scattered, restless, nervous energy; moving rapidly from one thing to the next without digesting or completing anything. Tension, irritable nerves.

Remedies and Suggestions:

Slow down as much as possible. Take mini-breaks to pay attention to your breath, relax, and center yourself. Focus on a single word, such as "peace", while breathing slow, gentle breaths.

Consider postponing business decisions and contracts, as well as any unnecessary travel.

*Jul 8, 2010 9 AM (Jul 7, 2010 to Jul 9, 2010)*

♃ ✖ ♀

Imaginative, artistic, or spiritual topics occupy your mind and conversations today. You may be especially telepathic with the people around you, sensing their thoughts and emotions rather easily. None of this is apt to be terribly distracting and in fact will probably be rather subtle, yet it can add another dimension to your interactions. Listen to your intuition.

*Jul 10, 2010 9 PM (Jul 9, 2010 to Jul 12, 2010)*

♂ □ ♀

Powerful desires and amorous feelings are stimulated now perhaps through an enticing interaction or personal encounter. You take the lead in social situations or attract personal attention. Coming on too strong, not picking up on subtle cues, or being inappropriate in a social sense are pitfalls of this time. Strive for a balance between taking the initiative and being sensitive and aware of others' needs and wants. If you are usually shy and unassertive, this is your moment to come out and take a risk even if you're a bit awkward.

*Jul 11, 2010 4 AM (Jul 11, 2010 to Jul 12, 2010)*

♃ ✖ As

Communication, learning, or being a messenger or conduit for information is favored now. You express yourself clearly and intelligently, getting your views across with ease. Friendly or casual encounters can lead you to information you can benefit from right now. You may want to visit a book store, or make some phone calls you've been putting off.

*Jul 11, 2010 9 AM (Jul 11, 2010 to Jul 12, 2010)*

♃ ✖ ♄

You have a touch of creative genius in your thinking today. Your ability to see things in a new light, to experiment and think outside the box, can deliver up some surprising insights. You may be moved by an out-of-the-blue impulse to call or contact someone, to vary your usual route or to do things in a different order than you normally would. Doing small things like this keeps you awake and interested.

*Jul 11, 2010 1 PM (Jul 11, 2010 to Jul 12, 2010)*

♀ ✖ ♃

Pleasantries, humor, and a light touch sweeten your interactions today. You have an extra measure of tact and charm when talking on the phone, writing letters, or meeting people and you tend to veer away from controversial or unpleasant topics. Your mind may be pleasantly lazy. Light romantic comedies, "fun" fiction, and a break from serious striving appeal to you. Social or cultural events are favored.

*Jul 11, 2010 (Jul 10, 2010 to Jul 30, 2010)*

♃ 11th H.

World events, cultural and community affairs, or group discussions and plans are a focus for you now. You may teach, facilitate a group, or help organize and get the word out about your community activities. Intellectual interests, connections based on common ideas, or problem-solving in the context of a committee or group is featured.

*Jul 12, 2010 7 AM (Jul 11, 2010 to Jul 13, 2010)*

♁ ♃ ♀

You have exceptional concentration and can focus your mind on solving difficult problems, unearthing the contacts or the information you need, relentlessly probing until you get to the core of a matter. You may also have an especially heavy or deep conversation, with issues that have been buried for sometime coming up for re-examination. Taboo topics, extremely private information, or things that you'd forgotten enter your awareness.

*Jul 12, 2010 (Jun 26, 2010 to Aug 19, 2010)*

♃ ✖ ♀

You are open and eager to have new experiences, ideas, and people in your life, and thus draw them to you. A series of unusual events or coincidences may bring unexpected good fortune. Unbidden changes work out in your favor and allow you more freedom and room to move - like being "bumped up" from coach to first class.

This is an exciting and stimulating time, an excellent period to begin a new venture or attempt something unprecedented.

Working with groups or collectives can be a very positive experience now, especially if you feel that your freedom, individuality, and room to move is encouraged. Other people stimulate you to new ways of thinking and being, and you do the same for them.

Positive Potentials:

Increased optimism, confidence, and willingness to try a radically different approach. Cross-cultural experiences that expand your understanding. Unexpected positive developments socially and professionally.

Negative Potentials:

Very few, or none.

Remedies and Suggestions:

Begin asking for what you want, put out clear intentions and goals, and you'll attract positive responses. Carpe diem!

*Jul 13, 2010 3 AM (Jul 13, 2010 to Jul 14, 2010)*

☉ ♃ ☉

This is your moment in the Sun! Bask in being the center of attention and being recognized for just who and what you are. Your will and intentions have power now, so focus on what you want to create in your life in the year ahead.

*Jul 13, 2010 8 AM (Jul 13, 2010 to Jul 14, 2010)*

♀ □ ♄

Some tension between being independent and being close or intimately involved could arise now. A need for some personal space or an urge to temporarily disengage and go off on your own may be part of this, or a friend or partner may express those needs. A last-minute change of plans, or some other unexpected event, challenges your ability to stay connected; a sudden break or a quick beginning to a new friendship or romance is equally likely.

*Jul 13, 2010 9 AM (Jul 13, 2010 to Jul 14, 2010)*

♀ ✕ Mc

Your ability to harmonize, to create bridges between two polarized "camps", or simply to get along with people, assists you professionally. You're more sensitive to the personal element of your work; appreciating and being appreciated for what you contribute is highlighted. You may be tempted to play matchmaker also!

*Jul 13, 2010 (Jul 12, 2010 to Aug 9, 2010)*

♀ 12th H.

You may be called upon to help a friend through a troubled time or to put aside your own pleasure and personal gratification for another's sake. Someone you love and care about depends upon you more than usual.

Also, circumstances or your own reticence may prevent you from openly declaring or expressing your desires and affection. Love yearnings which cannot be fulfilled in any direct way arise. Compassion - for yourself and others - is the key, but don't confuse this with self-pity or co-dependency in a relationship.

*Jul 13, 2010 (Jun 26, 2010 to Aug 19, 2010)*

♃ □ Mc

You feel a strong urge to grow and expand professionally, to get your work known by a larger audience, and/or to further your long-range dreams and aspirations. This can make you restless with the limitations of your current situation and perhaps tempted to cut corners or overlook preliminary steps and requirements. You may also be inclined to expand too rapidly or into too many arenas at once, biting off more than you can chew. Your confidence and sense of positive possibilities urge you on, which can be good or not. If you are usually rather cautious, careful, and guarded in your approach, now you are more open to success and dreaming on a larger scale. However, if you tend to view success only in terms of "more" and "bigger", you are likely to have inflated expectations and/or to increase your debts in order to live your dreams at this time.

Positive Potentials:

Desire for greater freedom, growth, influence, or an expanded range of expression leads to taking risks with a spirit of adventure. Increased optimism, hope, and confidence, a sense that "it will all work out".

Negative Potentials:

Growth and expansion for their own sake without regard for practical considerations or other important values.

Remedies and Suggestions:

Some extravagance can be good for the soul! Investigate all possibilities and definitely let yourself aspire,

dream, and reach for the things that you'd really love to do or have. However, beware of get-rich-quick schemes or promising ventures that require little on your part (if it sounds too good to be true, it probably is).

Invite more people, especially those you admire and wish to emulate, into your life. Express a lot of recognition of others' contributions. The more inclusive you are, the more positive this period can be for you.

*Jul 14, 2010 1 AM (Jul 13, 2010 to Jul 15, 2010)*

☿ \* ♃

This is a good day for quiet thinking and work that entails intellectual or technical skill, craftsmanship, or careful attention to detail. Wrangling with practical problems and logistics, finding intelligent solutions and completing tasks and projects are favored. You meet deadlines on time and enjoy taking care of business. A library or quiet room where you can be alone and just do your work appeals to you now. This is also a fine time to take an examination, either written or oral.

*Jul 14, 2010 8 AM (Jul 12, 2010 to Jul 16, 2010)*

♂ \* ☉

Your positive, outgoing, action-oriented, "yang" energy is stimulated now. You won't want to be contained or sitting still for long periods; vigorous sports, outdoor adventures, and physical expression are indicated instead. You are the favorite for any competitive activity you're engaged in, and you're apt to make whatever you do now a race or contest!

*Jul 15, 2010 8 AM (Jul 15, 2010 to Jul 16, 2010)*

☉ ♃ ♃

Your inner emotional state of being and your feelings about your life are illuminated now. If all is well with you, especially in your home life, this will be a source of strength and joy. If something is amiss or out of balance, that will be especially evident. Don't avoid or neglect the subtle signals. Give yourself permission to feel, to listen and to "know" with your body and feelings what is so.

*Jul 17, 2010 6 AM (Jul 17, 2010 to Jul 18, 2010)*

♀ \* ♃

Let the good times roll! A lovely sense of well-being and ease characterizes this time. If you've been under a lot of pressure lately, you can let up, let go and relax a bit. You feel freed up emotionally, and freer with your affection and your money as well. Your open-heartedness and easy attitude draws good things your way - friendship, love, opportunities, and material benefits alike.

*Jul 17, 2010 7 PM (Jul 17, 2010 to Jul 18, 2010)*

♀ □ ♃

Feeling deprived, excluded, lonely, or distant from the people who love you may occur now. It could be a cooling off period in a relationship, or a critical moment that tests its strength. Tending your hurt feelings without indulging in self-pity or one-sided blame is important. You may also meet obstacles or self-doubt in regard to some creative project you're in the midst of. Try to work on the flaws or weak aspects of it without considering the whole endeavor a failure. Take a break!

*Jul 17, 2010 11 PM (Jul 16, 2010 to Jul 19, 2010)*

♂ ✖ ⓓ

You enjoy activities in which your instincts, emotions, and desires can flow freely, like making love, playing in the ocean, playing soccer, or just acting like a kid. You feel energetic and passionate about the people and things you care about, and may be rather aggressively protective as well.

*Jul 20, 2010 1 AM (Jul 19, 2010 to Jul 21, 2010)*

♀ ♂ ♂

Honest, forthright discussions and clear powerful decision-making characterize this time. You may become impatient with another's vagueness or waffling, and move to act on your own. Beware of sharp words said in haste, aggressive driving, or wasting your energy in needless arguments. Certainly you can hold your own in any discussion or negotiation, but you may come on too strong.

*Jul 20, 2010 5 AM (Jul 19, 2010 to Jul 21, 2010)*

♀ ✖ ♀

Communicating affection and appreciation come easily to you today. You speak personably and pleasantly now, making even casual interactions sweet. By overlooking superficial differences and focusing on harmonizing and understanding, you build bridges between yourself and others or between two parties who have been at odds. This is also a wonderful time to send flowers, write a love letter, or to discuss matters of aesthetics and personal style. Heavy topics will wait for another day.

*Jul 20, 2010 6 AM (Jul 19, 2010 to Jul 21, 2010)*

☉ ✖ ♀

Light some candles or put on your favorite music to create a mood and atmosphere where magic can happen. Or engage in activities purely for the inner rewards, like bringing a meal to a friend or some other random act of kindness. This is a day to cultivate spiritual well being and dream peace solutions.

*Jul 25, 2010 6 PM (Jul 24, 2010 to Jul 27, 2010)*

♂ ♂ ♀

Your creative imagination is stimulated, and you may feel an impulse to act out some fantasy or long cherished dream, without your usual concerns and constraints about what is practical, normal, and so on. In your mind you can do the impossible and explore all possibilities. You may be a bit unfocused on the immediate here-and-now, however. Avoid foolish dares and intoxicants, especially when driving or near water. Do something that delights your soul and has no practical use whatsoever, but don't disregard common sense.

*Jul 25, 2010 8 PM (Jul 25, 2010 to Jul 26, 2010)*

☉ ✖ As

The force is with you! Your vital energy is flowing well and your confidence is up, so anything you attempt now is likely to succeed. You influence others through personal direct contact, and without much effort. Work with what inspires you, gives you energy, or matters most to you, and expect great results. Express yourself!

*Jul 26, 2010 7 AM (Jul 25, 2010 to Jul 27, 2010)*

☉ ✖ ♄

Creative license, spontaneity, improvisation, and discovery are stimulated now. This is a good time for any activity that requires you to experiment and think outside the box. Your freedom to express yourself in your own way is quite important to you at the moment.

*Jul 27, 2010 (Jul 26, 2010 to Aug 26, 2010)*

☉ 11th H.

Your community, social circle, and/or world events are a focus for you now. Beware of how you impact others, and how your actions and choices ripple out to influence the world. Conferences or other gatherings that are related to future developments and/or shared ideals and interests succeed for you at this time. You may lead, facilitate, or organize an important group function.

*Jul 27, 2010 9 AM (Jul 27, 2010 to Jul 28, 2010)*

♀ □ ♀

Differences in tastes, style, or aesthetic preferences may arise in a close relationship, but you can compromise and satisfy both people with relative ease. In fact your differences may be very stimulating and attractive to you, especially if the connection is a romantic one. Love is definitely in the air! You may also want to enhance or change your wardrobe, furnishings, or surroundings to make them more comfortable and appealing. Probably you'll want to indulge yourself in some way and may avoid getting down to work.

*Jul 28, 2010 2 AM (Jul 27, 2010 to Jul 29, 2010)*

☉ ♂ ♀

Deep feelings, desires, fascinations, and compulsions move you now, revealing aspects of yourself that usually don't show on the surface. You may be extremely single-minded and driven to do, accomplish, have, or learn about something. Something that has been hidden or lost may come to light. Try to be aware of what's motivating you today, and refrain from forcing your agenda onto others.

*Jul 28, 2010 7 PM (Jul 28, 2010 to Jul 29, 2010)*

♄ ✖ ♄

Today, expect a free flow of ideas, stimulating conversations, and making the right connections at the right time. All intellectual activities are favored now, including writing, speaking, making presentations, getting your ideas across, reading, learning, and conducting business. You enjoy being a messenger, a conduit for information in some manner or form. Casual contacts go well.

*Jul 29, 2010 6 AM (Jul 29, 2010 to Jul 30, 2010)*

♀ ✖ ☉

Being with people and enjoying good times (especially with beautiful, charming, lighthearted people) is really what you want now. You're in a friendly and cooperative mood which brings ease to your interactions and an overall sense of harmony to your day. Because you are open to love and friendly gestures, you will attract loving people into your experience.

*Jul 30, 2010 9 AM (Jul 29, 2010 to Jul 31, 2010)*

♃ □ ♁

Making or hearing comments that provoke controversy, feeling unusually impatient with others' slowness, impulsive movements or a sudden change of direction can challenge you today. Beware of acting out of nervous haste or tactlessly blurting something out that you can't take back. Instead, consciously slow yourself down, breathe deep into your middle, and relax the tension in your head or jaws - then proceed.

*Jul 30, 2010 9 AM (Jul 29, 2010 to Jul 31, 2010)*

♃ ✖ ♀

Clarity, objectivity, and a smooth flow of communication makes this an excellent time to reach a decision and/or tell others of a decision you've come to. Ideas come flooding in now, too, and you're able to assimilate all kinds of new information. All learning, teaching, or intellectual activities are favored.

*Jul 30, 2010 (Jul 29, 2010 to Oct 5, 2010)*

♃ 12th H.

This is a period to observe, reflect, and consider the whole picture, or facets of things that you normally minimize or ignore. You may be getting messages from your intuition via dreams, feelings, or strange sensations that you would be wise to attend to. You also want to mull over and digest the information that comes to you now and are thus disinclined to come up with a ready answer or quick repartee. Your silence or reticence could be misinterpreted, so make it clear that you are thinking things through.

*Jul 31, 2010 6 AM (Jul 31, 2010 to Aug 1, 2010)*

♀ ✖ ♃

You're in a sweet mood and are a soft touch, especially for people you care for. Your family, children, home, or long time friends give you the most pleasure now, and you'll want to be with them. Sharing food or other forms of nurturing makes you happy. You may not feel like working or pushing yourself too much now. However, bringing flowers or treats into your workplace gives you satisfaction.

*Jul 31, 2010 11 AM (Jul 31, 2010 to Aug 1, 2010)*

☉ ✖ ♃

You have good stamina, concentration, and a focus on taking care of earthly realities, practical necessities, and chores. Inner satisfaction comes from accomplishing your tasks and meeting responsibilities. You may not be especially gregarious or jovial now unless other astrological factors are strong, but you can definitely have a solid sense of achievement at the end of the day.

*Jul 31, 2010 11 PM (Jul 30, 2010 to Aug 2, 2010)*

♂ □ ♃

You are mentally sharp and quick at this time but may be abrupt, impatient, and cutting with your words as well. Aggression or hurry can lead to cuts and scrapes, needless arguments, fender benders, or headaches. Consciously slow your movements and breathing down just a bit and give yourself plenty of time to get where you're going, or work off steam by running or taking a brisk walk.

*Aug 1, 2010 (Jun 20, 2010 to Dec 1, 2010)*

☿ ♁ Mc

Issues of your inner foundations and security, your personal background or ancestral patterns, and the deep conditioning from your early life are being revisited now. A personal or domestic crisis could usher in a period of soul searching during which old fears, secrets, or problems emerge to be exorcised and healed. Distorted relationships, lost or disowned family members, or difficulties with a parent may be part of the scenario. For women, their roles as mother, nurturer, and caregiver may undergo a radical shift, there could be unexpected pregnancy, or a rejection of the role. The death of a mother figure and/or of those beliefs, habits, and unquestioned emotional attitudes learned from the mother can bring both grief and new freedom into your world. Expect profound changes in your domestic world. Your home or living space may be radically altered now too, either by choice (as in renovating or moving) or through an act of nature.

#### Positive Potentials:

Healing family relationships and releasing burdens from the past. Changing power dynamics within the family to create more balance and health. Personal empowerment and soul healing. Uncovering secrets, addictions, or other subliminal issues within the home; working to heal and enlighten them.

#### Negative Potentials:

Losses which must be accepted and mourned. Feelings of fear, anxiety, isolation, or being overwhelmed as your deepest foundations are being exhumed and examined.

#### Remedies and Suggestions:

This is an excellent time to undergo in-depth psychotherapy or some program designed to support you through the deep personal changes you are in the midst of. Seek help when you feel overwhelmed or in need. Learning and/or practicing self-care and self-nurturance is very important now. Regular exercise, healthy eating habits, and engaging in activities that restore your sense of well-being in the midst of change can make a huge difference.

Tap into the healing properties of the earth. Plants, gardens, aromatherapy and natural settings can help ease the stress of this time. Record your dreams and/or keep a personal journal now.

*Aug 1, 2010 (Aug 1, 2010 to Oct 26, 2010)*

☿ 3rd H.

During this period you are apt to do a lot of in-depth research, serious analysis, and passionate seeking for answer to some real, immediate questions and concerns. You can be a relentless problem-solver, hunting down clues, leads, and pieces to complex puzzles. If you've always been content with straightforward answers, you may become more intensely curious and/or discover entirely new, more profound dimensions of many things in your daily life. The ordinary world may become more mysterious and, at the same time, yield up its hidden treasures because you have new eyes to see things you never noticed before.

You may discover the deeper powers of the mind, communication skills, and the power of language to actually create and shape reality; words are very potent, and you're attuned to that now.

Aug 2, 2010 (Jun 26, 2010 to Aug 19, 2010)

ㄱ □ Mc

You feel a strong urge to grow and expand professionally, to get your work known by a larger audience, and/or to further your long-range dreams and aspirations. This can make you restless with the limitations of your current situation and perhaps tempted to cut corners or overlook preliminary steps and requirements. You may also be inclined to expand too rapidly or into too many arenas at once, biting off more than you can chew. Your confidence and sense of positive possibilities urge you on, which can be good or not. If you are usually rather cautious, careful, and guarded in your approach, now you are more open to success and dreaming on a larger scale. However, if you tend to view success only in terms of "more" and "bigger", you are likely to have inflated expectations and/or to increase your debts in order to live your dreams at this time.

#### Positive Potentials:

Desire for greater freedom, growth, influence, or an expanded range of expression leads to taking risks with a spirit of adventure. Increased optimism, hope, and confidence, a sense that "it will all work out".

#### Negative Potentials:

Growth and expansion for their own sake without regard for practical considerations or other important values.

#### Remedies and Suggestions:

Some extravagance can be good for the soul! Investigate all possibilities and definitely let yourself aspire, dream, and reach for the things that you'd really love to do or have. However, beware of get-rich-quick schemes or promising ventures that require little on your part (if it sounds too good to be true, it probably is).

Invite more people, especially those you admire and wish to emulate, into your life. Express a lot of recognition of others' contributions. The more inclusive you are, the more positive this period can be for you.

Aug 3, 2010 12 AM (Aug 2, 2010 to Aug 3, 2010)

ㄴ ✕ ㄱ

Your mind is positive and you are thinking in broader terms at the moment. Your intuition and sense of future trends is keen. Commercial ventures and transactions, communicating to a wider audience, teaching or learning, and making sound decisions based on seeing the bigger picture is the focus now. Send and receive inspiring messages.

Aug 3, 2010 (Jun 21, 2010 to Nov 30, 2010)

ㄷ ㄴ ㄹ

Sudden upheavals or dramatic events in the large social or collective arena touch your life at this time. Like freak accidents and acts of nature, these events or forces are impersonal and not easily manipulated. There is a violent, revolutionary or chaotic feeling about this time that may unsettle you whether or not it directly involves you.

Be very careful about taking any premature, harsh, or irreversible decisions or actions at this time. Even well-thought out, well-intended, and reasonable behaviors may be disrupted now. Mechanical or technical breakdowns are possible with this.

#### Positive Potentials:

Helping to make some positive reform and changes in the face of considerable resistance or other undermining forces.

#### Negative Potentials:

Getting swept up in a collective attitude of destructiveness, harshness, or fanaticism. Large scale problems with energy, electricity, or technology that immediately impacts your world.

#### Remedies and Suggestions:

Learn the serenity prayer by heart. (Keep a sense of humor, too!) Avoid swinging to extremes, radical positions that are aimed at forcing change, and potentially violent situations.

*Aug 3, 2010 (Jun 26, 2010 to Aug 19, 2010)*

ㄱ \* ㅎ

You are open and eager to have new experiences, ideas, and people in your life, and thus draw them to you. A series of unusual events or coincidences may bring unexpected good fortune. Unbidden changes work out in your favor and allow you more freedom and room to move - like being "bumped up" from coach to first class.

This is an exciting and stimulating time, an excellent period to begin a new venture or attempt something unprecedented.

Working with groups or collectives can be a very positive experience now, especially if you feel that your freedom, individuality, and room to move is encouraged. Other people stimulate you to new ways of thinking and being, and you do the same for them.

#### Positive Potentials:

Increased optimism, confidence, and willingness to try a radically different approach. Cross-cultural experiences that expand your understanding. Unexpected positive developments socially and professionally.

#### Negative Potentials:

Very few, or none.

#### Remedies and Suggestions:

Begin asking for what you want, put out clear intentions and goals, and you'll attract positive responses. Carpe diem!

Aug 3, 2010 12 PM (Aug 2, 2010 to Aug 4, 2010)

♄ □ ♃

You tend to see road blocks and obstacles, or come up against skepticism and doubt from within yourself or from others. Listen to the voice of prudence and caution, and do not attempt to press forward. Instead, pull back and see the flaws that can be worked on. Focus on repairs, strengthening weak areas, cleaning up and refining your presentation. Beware of letting negative voices dampen your spirits, however.

Aug 3, 2010 (Aug 1, 2010 to Sep 18, 2010)

♂ 1st H.

Self-assertiveness, decisive action, and positive determination enable you to move ahead and accomplish what you need to. Initiating new projects is favored. However if you become impatient and push your agenda too aggressively, you may provoke contention. Working by yourself and on your own terms succeeds much better than having to accommodate others.

Aug 3, 2010 1 PM (Aug 1, 2010 to Aug 5, 2010)

♂ ♄ As

You may have just emerged from a month or so of working behind the scenes, incubating a new project, recovering your strength, or feeling less outwardly focused. Now you're ready to forge ahead and take action. You know what you want and you go after it energetically and directly, projecting an image of strength. Your warrior spirit is aroused. You don't want others getting in the way of your agenda, so you can be a bit brusque or impatient. If you're hot-tempered to begin with, you could instigate an altercation. Independent rather than cooperative endeavors are favored.

Aug 4, 2010 6 AM (Aug 4, 2010 to Aug 5, 2010)

♂ △ ♃

You crave challenge, action, something fresh and exciting, and while you won't instigate a fight, you won't back away from one either.

The thrill-seeker or adventurer in you comes out. You have bursts of energy and need to do something that is, for you, original and daring.

Aug 4, 2010 7 AM (Aug 4, 2010 to Aug 5, 2010)

♂ □ Mc

You may not be moving ahead as you'd like, or you may find that you're struggling to get things done. Hurrying, irritability with family or people at work, and a disagreeable attitude can make this a tense time. Don't try to do more than you have to, or make deadlines for yourself that you then push yourself and others to meet. Chill out a little!

Aug 4, 2010 (Jul 24, 2010 to Aug 14, 2010)

♃ □ ♄

You are seriously reevaluating, questioning, or doubting many things right now. You may feel intellectually withered, uninspired, unable to see anything good or promising around you, in yourself, or in the world.

Critical, disappointed, or unable to connect with others, you may find yourself withdrawing. This can be a

time of disentangling, separation, and leave-taking.

Remember that you may be seeing the glass as half empty rather than half full, focusing too much on what's wrong and not appreciating what's right. On the other hand there may well be situations, people, ideas, or involvements of many kinds that need to be pruned or eliminated from your life, and you are seeing that now.

Positive Potentials:

A period of withdrawal for quiet reflection, deep study, or intellectual work can be beneficial now. Using this time to clarify, define, and come to your own conclusions regarding some matter.

Negative Potentials:

Difficulties in communicating. Not being received or supported for your ideas which can lead to serious self-doubt. Mental preoccupation with problems, worries, worst-case scenarios. Negative or fearful thinking. Humorlessness.

Remedies and Suggestions:

Relaxation techniques, especially ones that involve deep, gentle breathing, and positive mental imagery, can be very useful now. Your nervous system is somewhat tense and this can help you be more at ease. Aromatherapy, using lavender, lemongrass, or orange oils (which are both relaxing and uplifting for you) can be helpful now, too.

Remember that you are most likely seeing only a part of the picture right now. Avoid making harsh judgments about yourself or the future based on "the way things are" right now.

*Aug 4, 2010 4 PM (Aug 4, 2010 to Aug 5, 2010)*

♀ ♂ ♀

Love yearnings, especially for an idealized or romantic or spiritual kind of love, are awakened now, perhaps by a film or some other artistic image. You need and respond strongly to beauty, aesthetics, the arts, the ocean, poetry, music. Your tender side comes to the fore, too, and you might be moved to adopt a stray dog, cat, or needy person. You may confuse pity with personal attraction or be especially indulgent with people, also.

*Aug 7, 2010 12 AM (Aug 5, 2010 to Aug 8, 2010)*

♂ ✖ ♀

Your passion, zeal, and inner courage are intensified now, making you enormously effective. You are super-motivated and can tackle tough challenges with confidence. You may take something old and completely re-do, re-make, revise, or renew it. Your creative power is flowing!

*Aug 11, 2010 (Jun 21, 2010 to Aug 24, 2010)*

♄ ♂ As

There is a renewed focus on partnerships, close friendships, marriage, and intimate relationships, with some very positive developments on the horizon. You may meet someone wonderful who influences you to be more confident, optimistic, and hopeful, and to reach out and aspire for more. Your current relationships are characterized by more freedom and openness, and genuine caring for the greater good of one another. Difficulties in an ongoing relationship with a friend, peer, or partner can significantly improve, and should you choose to see a

counselor at this time, this would be quite beneficial. This can be a time for healing and for renewing the vision of what your partnership can be. Even if you decide that your mutual growth is not served by remaining together, the parting is apt to be amicable and lead to something better for both of you. Stifling and controlling relationships will not be tolerated well now.

A generous teacher, counselor, advisor, or guide may enter your life during this period - someone who will be a real gift and benefactor to you.

Legal contracts and business agreements are apt to work in your favor now as well.

Positive Potentials:

Mutual growth, happiness, and expansion in relationships of all kinds.

Negative Potentials:

If you tend to be overly giving, generous, and lenient in your partnerships, this tendency is amplified. However this should not become a real problem unless you are seriously out of balance in this way to begin with. It is time for you to expect more!

Remedies and Suggestions:

Stay focused on being your best self in relationship to others. Take the high road, and avoid pettiness. This is your tendency now anyway, and it can free you up considerably.

Accept invitations, go to openings, broaden your social sphere, vary your routine. By exposing yourself to more people, the ones who can enrich your life can come to you.

*Aug 15, 2010 (Jul 3, 2010 to Sep 24, 2010)*

Ψ ⚡ Ψ

There may be some shakiness, uncertainty, vagueness, or confusion at this juncture. Perhaps old categories and boundaries are blurring, or you are moving into a phase of life in which new rules apply. The sacrifice of an ideal, a way of life, a fantasy about yourself, or a cherished belief may be involved. It's really important to be courageous, honest, and realistic with yourself at this point. Trying to fake it, to get away with old tricks, or to pretend nothing is changing can be treacherous to your well-being. Also, beware of "opportunities" or schemes which involve investing money on faith. There is danger of deception or dreamy notions with little basis in fact. Don't allow forceful confidence or kindly persuasion on the part of another seduce you into forsaking your discrimination or responsibility.

This can be a time to let go of old ideas that hinder inner peace and self-acceptance. Allow new images, ideals, and possibilities to emerge rather than holding on for dear life to what was.

Positive Potentials:

Realigning priorities or ideals.

Negative Potentials:

Passivity; errors based on misplaced trust or misunderstanding. Eroded confidence.

Remedies and Suggestions:

Be willing to forsake old notions while cultivating new images of "the good life". You may temporarily feel out of sync with your community or kinship ties. Make adjustments to the changes in your body, energy level, desires, or circumstances as gracefully as possible, knowing that new rhythms will eventually be established.
